

Sparrow Mastercard Consumer Credit Card Agreement

There are two parts to this Credit Card Agreement (the “Agreement”): **Rates and Fees Table** and **Consumer Card Agreement**. The **Rates and Fees Table** shows the rates and fees for your credit card. The Agreement contains important information related to your credit card issued by Evolve Bank & Trust. Bank has agreed to lend you money as described in this Agreement, and you agree to pay us back together with interest charges and fees. Your use or activation of the Card and any transaction using the Card or Account indicates your acceptance of the terms of this Agreement. If any fee in the Rates and Fee Table is marked “none,” the section of this Agreement that relates to that fee does not apply.

How We Will Calculate Balances: We use a method called “average daily balance” (including new transactions). See *How Do You Calculate the Interest Charge?* below for more details.

Billing Rights: Information on your rights to dispute transactions and how to exercise those rights are included in this Agreement. See *Your Billing Rights* section for full details.

Can You Change My Account Terms? We can change the terms of your credit card account as permitted by law. These changes may apply to existing and future balances. When required by law, we will send you notice before doing so. For further information, please see the *Consumer Card Agreement*, below.

How Do You Calculate Variable Rates?

Variable APRs disclosed above are determined by adding a percentage margin to the U.S. Prime Rate. We use the U.S. Prime Rate or the average of the U.S. Prime Rate if there is more than one, published in the Money Rates column of *The Wall Street Journal* on the 25th day of each month. If *The Wall Street Journal* is not published on the 25th day of the month, then see the immediately preceding edition of *The Wall Street Journal*. The APR may increase or decrease if the U.S. Prime Rate changes. An increase or decrease in the APR may increase or decrease the total amount of interest you pay. It may also increase the Minimum Payment due. If the U.S. Prime Rate changes, your new rate will take effect on your next billing cycle.

If the APR associated with an offer is variable, the APR will equal:

Purchase APR - Prime Rate plus a margin of 22.24%.

Cash Advance APR - Prime Rate plus a margin of 24.24%.

Any increase in the Prime Rate may increase your interest charges and your minimum payment.

We reserve the right to change rates (APRs) and fees, in our discretion in accordance with the terms of this Agreement and applicable law.

You may not qualify for the lowest APRs disclosed above. The APRs that will apply to your account are determined by the information provided on your application, your credit report and any other relevant information about you that is available to us.

What Are The Daily Periodic Rates Used To Calculate My Interest? The daily periodic rate for your Purchase APR is 0.08422% and Cash Advance APR is 0.08970%.

How Can I Avoid Paying Interest Charges? If the entire amount you owe us (the “New Balance”) is paid in full as of the Payment Due Date shown on that statement, we will not charge interest on any new transactions that post to the purchase balance. If you have been paying your Account in full without interest charges, but fail to pay your next New Balance in full, we will charge interest on the unpaid balance. For cash advances, we will start charging interest on the transaction date.

How Is The Interest Charge Applied? Interest charges accrue from the (1) date of the transaction; (2) date the transaction is processed; or (3) first calendar day of the billing cycle. Interest charges accrue on every unpaid amount until it is paid in full. This means you may owe interest charges even if you pay the entire “New Balance” one month but did not do so for the previous month. Unpaid interest charges are added to the applicable transaction type (e.g., purchase or cash advance) of your account. However, we reserve the right to not assess interest charges at any time.

Minimum Payment: We will calculate the minimum payment as the sum of: 1) the greater of (a) \$35 (or the total amount you owe if less than \$35), or (b) 5% of the outstanding balance, rounded up to the next whole dollar; plus 2) any late fees we have billed you on the statement for which your minimum payment is calculated; and plus 3) any past due amount (excluding any past due late fees). We require you to pay any amount that exceeds your Credit Limit for your Account but this amount will not be included in your Minimum Payment that is due.

How Do You Calculate The Interest Charge? We use a method called Average Daily Balance (including new transactions). Under this method, we first calculate your daily balance; for each transaction type (e.g., purchases and cash advances), 1) take the beginning balance and add in new transactions and the periodic interest charge on the previous day’s balance, then 2) subtract any payments and credits for the specific transaction types as of that day. The result is the daily balance for each transaction type. However, if you paid your previous month’s balance in full (or if your balance was zero or a credit amount), new transactions which post to your account are not added to the daily balances. Transactions made using the Card do not have a grace period.

Next, to find your Average Daily Balance: 1) add the daily balances together for each transaction type, and 2) divide the sum by the number of days in the billing cycle.

At the end of each billing cycle, we determine your interest charge as follows: 1) multiply your Average Daily Balance by the daily periodic rate (APR divided by 365) for that transaction type, and 2) multiply the result by the number of days in the billing cycle. NOTE: Due to rounding, this calculation may vary from the interest charge actually assessed.

Military Lending Act Notice: Federal law provides important protections to members of the Armed Forces and their dependents relating to extensions of consumer credit. In general, the cost of consumer credit to a member of the Armed Forces and his or her dependent may not exceed an annual percentage rate of 36 percent. This rate must include, as applicable to the credit transaction or account: the costs associated with credit insurance premiums; fees for ancillary products sold in connection with the credit transaction; any application fee

charged (other than certain application fees for specified credit transactions or accounts); and any participation fee charged (other than certain participation fees for a credit card account). To receive this information and a description of your payment obligation, please call 1-800-784-3457.

If you are covered by the Military Lending Act, (i) then you are not bound by the Arbitration Agreement set forth below, and (ii) notwithstanding anything to the contrary in this Agreement, to the extent required by the Military Lending Act, nothing in this agreement will be deemed a waiver of your right to legal recourse under any otherwise applicable provision of state or federal law.

- (2) all Statements;
- (3) any rewards program terms, conditions, and disclosures;
- (4) any privacy notices;
- (5) any Card benefits brochure which describes benefits provided by the Payment Card Network for your Account.
- (6) all disclosures and materials provided to you before or when you opened your Account;
- (7) any other documents and disclosures relating to your Account, including those provided online; and
- (8) any future changes we make to any of the above.

Please read these Account Documents carefully and keep them for future reference.

New Offers

In the future, we may provide you with new offers that we think may interest you. The terms of these offers may differ from the standard terms on your Account. This Agreement will still apply.

Account Information

We need information about you to manage your Account. This includes, but is not limited to:

- (1) your legal name;
- (2) a valid U.S. mailing address and residential address (if different);
- (3) your date of birth;
- (4) your Social Security number or other government identification number;
- (5) your telephone number(s); and
- (6) your employment and income information.

You must tell us when this information changes. We may ask you for additional documents and to verify any changes to information you have provided us.

We may restrict or close your Account if we cannot verify your information, or if you do not provide it as requested.

Credit Limits

We will establish the maximum amount of credit available to you for your Account (“Credit Limit”). We will inform you of your Credit Limit from time to time. We may give you different Credit Limits for the different portions of your Account. For example, you may have one Credit Limit for Purchases and a different one for Cash Advances. You are responsible for keeping track of your balances and your available credit for each transaction type (e.g., Purchases, Cash Advances, etc.). You must keep your Account balance below each applicable Credit Limit. We may honor transactions above your Credit Limit but we are not obligated to and may do so at our sole discretion. Your Credit Limit will not increase if we do honor any transaction that exceeds your Credit Limit. You are responsible for paying for any transaction you make above your Credit Limit. We may increase, decrease, restrict, or cancel your Credit Limit for any and all transaction types at any time, without notice. This will not affect your obligation to pay us. Your available credit may not be restored for up to ten (10) business days after we receive your payment.

The credit available to you on your Account is the difference between your Credit Limit and the total balance due on your Account and any pending transactions.

Using Your Account

- (1) We may decline to authorize a transaction for any reason. This may occur even if the transaction would not cause you to go over your Credit Limit or your Account is not in default.
- (2) We will bill each transaction to the applicable transaction type of your Account. We will apply it against your available credit for that transaction type category.
- (3) You must not use, or try to use, the Card for any illegal activity. You are responsible for any charges if you do.
- (4) We are not liable for any losses that may result when our services are unavailable due to reasons beyond our control.
- (5) You may use the Card for Cash Advances and to make Purchases only for personal, family or household purposes from any person or establishment accepting the Card.
- (6) You must sign the back of your Card before you use it.
- (7) We are not liable to you if anyone refuses to honor your Card.
- (8) You must tell us immediately if you change your name, address, phone number, or email address.

Rewards

Your Account may provide you with the opportunity to earn rewards through Sparrow. If it does, we will separately provide you with information and terms about the rewards. Reward program(s) or bonus option(s) that are offered to you are not offered by Bank and are offered by Sparrow. If you have questions regarding rewards or bonus options, please contact Sparrow at 1-800-839-9797.

Cash Advances

You may obtain Cash Advances as permitted for your Account. You may not use Cash Advances to pay any amount you owe us or Servicer.

Using a PIN

We may give you a personal identification number (“PIN”). For security reasons, you may have to provide the PIN before you are able to use your Card. Keep your PIN secure. Do not write it down, give it to anyone, or keep it with your Card. If you lose your Card or believe the confidentiality of your PIN has been compromised for any reason, you must contact us immediately at the number provided on the back of your Card.

No Authorized Users

We will not issue an additional Card to allow any other person to access the Account. You understand that only you are permitted to use the Card or Account. If, however, any person you authorize initiates a transaction using the Card or Account or if such person incurs a Fee in connection with the Card or Account, you are responsible and liable for the transaction and any Fees or Interest Charges incurred. If you permit another person to have access to the Card or Account, this will be treated as if you authorized such use and you will be liable for all transactions and Fees incurred by those persons. You are wholly responsible for the use of each Card according to the terms and conditions of this Agreement.

Your Promise to Pay

By using your Card or your Account, you promise to pay us for all transactions made on your Account, as well as any fees, interest charges or other charges or Fees. If this is a joint account, each of you, together and individually, are responsible for all amounts owed, even if only one of you uses the Account.

Statements

You agree to be a paperless Cardholder and accept all statements, including Statements, and communications electronically. We will send you an electronic Statement at the end of each Billing Cycle, unless not required by law or the law prohibits us from doing so. Unless you make other arrangements with us, your Statement will be delivered to you electronically, as further described in the Evolve Bank & Trust Electronic Communication Consent. We will not send you Statement if: (1) we deem your Account uncollectable; (2) delinquency collection processes have been instituted; or (3) for any other reason permitted by applicable law. You may request a paper copy of your Statement for no fee by calling the number on the back of your Card. The fee will be assessed for each requested paper copy of your Statement. Bank will mail any requested paper Statement to you by regular mail to your address as it appears in our records.

Authorizations

We reserve the right to decline to authorize a transaction for any reason, including but not limited to an account default, suspected fraudulent, illegal or unlawful activity or any indication of increased risk related to a transaction. We do not guarantee approval of any transaction.

Temporary authorizations for amounts greater than the actual purchase price may occur with some merchants (e.g., hotels, car rental companies, gas stations, and restaurants). These types of authorizations will result in less credit available to you on your Account for several days until the date the actual purchase amount is received from the merchant.

Disputed Transactions

You must inspect each Statement you receive and must immediately contact us about any errors or questions you have, as described in the "Billing Rights Summary" on your Statement and in this Agreement. If you do not notify us of an error, we will assume that all information on the Statement is correct. If we credit your Account for all or part of a disputed transaction, you give us all of your rights against others regarding that transaction, and will also: (1) give us any information about the disputed transaction, if we ask; (2) not pursue any claim or reimbursement of the transaction amount from the merchant or any other person; and (3) help us get reimbursement from others.

Security and Lost or Stolen Card

You must take reasonable steps to prevent the unauthorized use of your Card and/or Account. For security reasons, you must, upon receipt of the Card, sign it in ink in the space provided and comply with any card activation procedures as may be prescribed by the Bank. You must notify us immediately and assist us in our investigation if your Card is lost or stolen or you believe someone is using your Account or Card without your permission. You will not be responsible for transactions on your Account that we find are unauthorized. If we reimburse you for unauthorized transactions, you will help us investigate, pursue and get reimbursement from the wrongdoer. Your help includes giving us documents in a form that we request. You should contact us by calling 1-800-839-9797, 24 hours a day / 7 days a week.

Interest Charges and Fees

We impose Interest Charges and Fees on your account. Interest Charges are imposed using the average daily balance method, as disclosed on your Statement and this Agreement. We will not charge you interest on any new transactions posted to a Purchase transaction of your Account if you paid the total balance across your Account in full by the due date on your Statement each month. We will generally treat Fees as Purchase transactions unless otherwise specified below. Fees apply to your Account only if your Truth-in-Lending Disclosures provide for them. We may increase your Interest Charges and Fees as described in the Amendments to Your Agreement section.

Annual Fee

Your Card may have an annual Fee. If your Card has an annual Fee, it will be assessed for the use of the Account and associated services. The annual fee is billed to the Account until the Account is closed and the outstanding balance is paid in full.

Late Payment Fee

We may charge you this Fee if we do not receive your payment as instructed on your Statement by the payment due date. This Fee will not exceed the amount permitted by law.

Returned Payment Fee

We may charge you this Fee each time your financial institution for any reason rejects a payment you make to us.

Stop Payment Fee

We may charge you this Fee each time you ask us to stop payment or renew a stop payment order. The fee will be disclosed to you at the time you submit or renew a stop payment order.

Cash Advance Fee

We may charge you this Fee each time you take out a Cash Advance. We will treat this Fee as a Cash Advance Transaction.

Transactions Made in Foreign Currencies

If you make a transaction in a foreign currency, the Payment Card Network will convert it into a U.S. dollar amount. The Payment Card Network will use its own currency conversion procedures. The conversion rate in effect on the processing date may differ from the rate in effect on the transaction date that appears on your Statement. We do not adjust the currency exchange rate. We charge a currency conversion Fee as set forth in the Rate and Fee Table.

Point of Sale Conversion

Card transactions made at a merchant outside of the United States may offer an option to have Card transactions converted to U.S. dollars by a Payment Card Network or by the merchant. If the merchant offers to make the conversion, the conversion currency rate will be determined solely by the merchant involved in the transaction and we will not charge you the currency conversion Fee set forth in the Rate and Fee Table.

Replacement Card Fee

We may charge a Fee to your Account of up to \$9.95 each time you request a replacement card.

Expedited Shipping Fee

We may charge you a fee if you request us to expedite the shipping of your Card. You may obtain your Card without incurring an additional expense if you do not request to receive your Card by expedited shipping methods.

Additional Fees

We may charge additional fees where such fees are agreed to between you and us.

Minimum Payment

You must pay us at least the minimum payment amount by the payment due date shown on your Statement. Your Statement will tell you: (1) the minimum payment due; (2) your new balance; (3) the payment due date; and (4) an explanation of when the payment must reach us for us to consider it received as of that date. Returns and other credits to your Account will reduce your account balance, but they will not change your minimum payment amount.

In addition to the minimum payment, you may pay all or part of the total balance on your Account. But, you must still pay at least the minimum payment amount each month, even if you paid more than the minimum payment due on the previous Statement. We will continue to charge Interest Charges during Billing Cycles when you carry a balance regardless of whether your Statement includes a minimum payment that is due. If your Account is 180 days past due, is part of a bankruptcy proceeding or is otherwise charged off, the total balance is immediately due and payable.

Making Payments

Your payment must be made in U.S. dollars from a U.S. deposit account in a form acceptable to us. We do not accept cash payments through the mail. You may not make payments with funds from your Account or any other credit account with us or any other company in the Bank organization. You must send mailed payments to us as instructed on your Statement unless we tell you otherwise. If you mail payment to an address other than the payment address shown on your Statement, there may be a delay in crediting the payment to your Account. We can accept late payments, partial payments or payments marked "payment in full," or any other restrictive endorsement, without losing any of our rights under this Agreement. We may refuse to accept payments made to your Account by someone else on your behalf. If we do accept it, you will be responsible for the payment and any cost if a financial institution rejects it.

Services are available that allow you to make faster or recurring payments, such as ACH, online or by telephone. We will describe the terms for using these services and any applicable Fee before you use them. You do not have to use these other payment services. We are not responsible if your financial institution rejects a payment made using our payment services.

If you give your Card information to a merchant to bill your account for recurring payments, or to keep it on file for future purchases or payments, and your Card number, expiration date, or security code changes, you should notify the merchant and provide the Merchant with your new card information.

Payment Processing

We may accept and process payments without losing any of our rights. We may delay the availability of credit until we confirm that your payment has cleared. This may happen even if we credit your payment to your Account. We may resubmit and collect returned payments electronically. If necessary, we may adjust your Account to correct errors, process returned and reversed payments, and handle similar issues.

When you send us an Item as payment, you authorize us to make a one-time electronic fund transfer from your deposit account. You also authorize us to process the payment as an Item. We may withdraw the funds from your deposit account as early as the same day we receive your payment. You will not receive your Item back from your bank. We will provide additional information about this process on your Statement.

We may use the information from an item to create an electronic image. We may collect and return the image electronically. This electronic image may also be converted to a substitute check and may be processed in the same way we would process an Item. We will not be responsible if an Item you provide has physical features that when imaged result in it not being processed as you intended.

How We Apply Your Payments

A different APR may apply to your Account depending on the transaction type. For example, Purchases may have a lower APR than Cash Advances. If your Account has balances with different APRs, here is how we apply payments in a Billing Cycle:

- (1) We generally apply credits and payments up to your minimum payment first to the balance with the lowest APR, and then to balances with higher APRs.
- (2) We apply any part of your payment exceeding your minimum payment to the balance with the highest APR, and then to balances with lower APRs.

Credit Balances

We may reject and return any payment that creates or adds to a credit balance on your Account. Any credit balance we allow will not be made available until we confirm that your payment has cleared. We may without notice restrict the availability of any credit balance in our sole and absolute discretion. We may reduce the amount of any credit balance by any new charges. You may write to the address provided on your Statement or call the number on the back of your Card to request a refund of any available credit balance.

Account Default

You will be in default if:

- (1) you do not make any payment when it is due;
- (2) any payment you make is rejected, not paid or cannot be processed;
- (3) you exceed a Credit Limit;
- (4) you file or become the subject of a bankruptcy or insolvency proceeding;
- (5) you are unable or unwilling to repay your obligations, including upon death or legally declared incapacity;
- (6) we determine that you made a false, incomplete or misleading statement to us, or you otherwise tried to defraud us;
- (7) you do not comply with any term of this Agreement or any other agreement with us;
- (8) you permanently reside outside the United States;
- (9) your financial condition has adversely changed that, in our reasonable and good faith opinion, you will not be able to make any payment obligation when due;
- (10) your Card or Account is being used or we suspect it will be used to engage in fraudulent, illegal, unlawful or improper activities; or
- (11) your account becomes inactive.

If you are in default, we may take certain actions with respect to your Account. For example, depending on the default, we may take the following actions, without notifying you, unless the law says that we must give you notice:

- (1) charge you Fees, or change the APRs and Fees on your Account;
- (2) close or suspend your Account;
- (3) lower your Credit Limit(s);
- (4) demand that you immediately pay the total balance owing on your Account;
- (5) continue to charge you Interest Charges and Fees as long as your balance remains outstanding; and/or
- (6) file a lawsuit against you or pursue another action that is not prohibited by law. If we file a lawsuit, you agree to pay our court costs, expenses and attorney fees, unless the law does not allow us to collect these amounts.

Communications

Unless we tell you otherwise, you can notify Sparrow at 113 Cherry St. #87446, Seattle, WA 98104, or call us at 1-800-839-9797. When writing, please include your name, address, home telephone number and Account number.

To the extent permitted by applicable law, you authorize us and our affiliates, agents, and contractors, our Servicer and anyone to whom we may sell your Account, to contact you to service your Account or for collection purposes. You agree that these contacts are not unsolicited for purposes of state or federal law. You further agree that the Bank, its affiliates, agents, and contractors, Servicer and anyone to whom it may sell your Account may: (1) contact you in any way, including mail, email, calls, and texts, including a mobile, wireless, or similar device, even if you are charged by your provider, and using automated telephone equipment or prerecorded messages; (2) contact you at any number that you have given us, have called us from or any number we have for you in our records, including your cellular or other wireless device, even if that number is a wireless, cellular, or mobile number, is converted to a

mobile/wireless number, or connects to any type of mobile/wireless device, and even if such telephone number is currently listed on a Do Not Call Registry; and (3) contact you at any email address you provide to us, email us from or any other person or company that provides any services in connection with this Agreement. You authorize us to monitor and/or record your calls with us, including but not limited to, using voice recognition technology to verify your identity when you call and capturing and storing your voiceprint for this purpose. You agree to notify us within five (5) business days after changing your email address, mailing address, or phone number. You are responsible for any service provider charges you may incur as a result of us contacting you by any means, whether or not such charges are text, data, equipment or other plans.

Terms for Using a Card with a Digital Wallet or Mobile Device

If we permit you to load your Card to a smart phone or tablet application, or any other application or other electronic device provided by a third-party (collectively, “Mobile Device”) or a digital wallet provided by another company (such as Apple Pay, Google Pay, Amazon, PayPal, Samsung Pay, etc.) or a merchant-branded website or digital wallet where your Card information is stored for future use each, a “Digital Wallet”), this Section, *Terms for Using a Card with a Digital Wallet or Mobile Device*, governs your access to, and use of your Card through a Mobile Device or Digital Wallet. We reserve the right to restrict the use of Cards with any Mobile Device or Digital Wallet.

The use of your Card with or within a Digital Wallet or Mobile Device may not be accepted at all places where your Card is otherwise accepted, and your Card may not be eligible for all the features and functionalities of the Digital Wallet or Mobile Device. You understand and agree that your use of a Digital Wallet or Mobile Device to make transactions using your Card or Card number is subject to the terms and conditions set forth by the third-party Digital Wallet or Mobile Device provider or another third party supporting the Digital Wallet or Mobile Device (collectively, the “Mobile Device Provider”) with respect to the use of that Digital Wallet or Mobile Device. Your agreement with any Mobile Device Provider does not impact our Agreement with you. You acknowledge that we are not party to any agreement or the terms and conditions for a Mobile Device between you and a Mobile Device Provider or the other third parties supporting the Digital Wallet or Mobile Device and we do not own and are not responsible for the Digital Wallet or Mobile Device. You may only use a compatible device with a Digital Wallet, as determined by the Digital Wallet provider (“Compatible Device”). In addition, any use of your Card in or through a Digital Wallet or Mobile Device continues to be subject to all terms and conditions of this Agreement. We may terminate your access to or use of your Card with a Digital Wallet or Mobile Device at any time and for any reason, including if you violate any of the terms or conditions of this Agreement.

To add your Card to a Digital Wallet or Mobile Device, you must follow the instructions of the Mobile Device Provider. By doing this, you agree to allow us to share your Card information with the Mobile Device Provider. You may be required to take additional steps to authenticate yourself or the Card before your Card is added to the Digital Wallet or Mobile Device. We may not add a Card to a Digital Wallet or Mobile Device if we cannot authenticate the Card or if we otherwise suspect that there may be fraud associated with the Card.

Once you add a Card to a Digital Wallet, you may use the Compatible Device (or in the case of a Mobile Device, you may use the Mobile Device) to make payments utilizing the Card at any merchant that accepts the Digital Wallet or Mobile Device and Card. By selecting an added Card in a Digital Wallet or Mobile Device and using the merchant’s contactless-enabled point-of-sale terminal or reader or by using a Card for an in-app or a website purchase, you are authorizing the payment for the applicable merchant’s products or services with that Card in the Digital Wallet or Mobile Device. The Digital Wallet or Mobile Device may display transaction history, but it does not reflect any post-authorization activities and may not match the actual transaction details that are posted to your Account.

We do not charge you any additional fees for adding your Card to a Digital Wallet or Mobile Device or for using your Card in the Digital Wallet or Mobile Device. However, any fees and charges that would apply when you use your Card outside the Digital Wallet or Mobile Device will also apply when you use a Digital Wallet or Mobile Device to make purchases with your Card or otherwise access your Card. The Mobile Device Provider and other third parties such as wireless companies or data service providers may charge you fees. Any Virtual Card we may issue you that is linked or registered with the Digital Wallet or Mobile Device may be, in our sole discretion, automatically updated or upgraded without notice to you.

We are not the provider of the Digital Wallet or Mobile Device, and we are not responsible for providing the Digital Wallet or Mobile Device services to you or for ensuring that your Card is compatible with any Digital Wallet or Mobile Device service. Arbitration

THE FOLLOWING ARBITRATION PROVISION IS NOT APPLICABLE TO BORROWERS WHO ARE "COVERED BORROWERS" UNDER THE MILITARY LENDING ACT.

This Section sets forth the circumstances and procedures under which Claims (as defined below) shall be arbitrated instead of litigated in court upon the election of either party.

(1) Definitions: As used in this Arbitration Section, the term "Claim" means any claim, dispute or controversy between you and Bank, Servicer or any of their agents or retailers, arising from or relating to the Card or this Agreement as well as any related or prior agreement that you may have had with us or the relationships resulting from this Agreement, including the validity, enforceability or scope of this Arbitration Section or the Agreement. "Claim" includes claims of every kind and nature, including but not limited to initial claims, counterclaims, cross-claims and third-party claims and claims based upon contract, tort, fraud and other intentional torts, statutes, regulations, common law and equity. The term "Claim" is to be given the broadest possible meaning that will be enforced and includes, by way of example and without limitation, any claim, dispute or controversy that arises from or relates to (i) your Card or Account; (ii) advertisements, promotions or oral or written statements related to the Card or Account or goods or services purchased with the Cards; (iii) the benefits and services related to the Card or Account; and (iv) your enrollment for any Card or Account. We shall not elect to use arbitration under the Arbitration Provision for any Claim that you properly file and pursue in a small claims court of your state or municipality so long as the Claim is individual and pending only in that court; any appeals from that court shall be pursued only in arbitration. As used in this Arbitration Section, the terms "we" and "us" shall for all purposes mean the Bank and Servicer, and their respective affiliates, licensees, predecessors, successors, and assigns, and all of their respective agents, employees, directors and

representatives. In addition, “we” or “us” shall include any third party using or providing any product, service or benefit in connection with any Cards (including, but not limited to merchants who accept the Card, third parties who use or provide services, debt collectors and all of their agents, employees, directors and representatives) if, and only if, such third party is named as a co-party with us (or files a Claim with or against us) in connection with a Claim asserted by you. As solely used in this Arbitration Section, the terms “you” or “your” shall mean all persons or entities that have access to or use a Card or Account, including but not limited to all persons or entities contractually obligated under any of the Agreements.

(2) **Initiation of Arbitration Proceeding/Selection of Administrator:** Any Claim shall be resolved, upon the election by you or us, by arbitration pursuant to this Arbitration Section and the code of procedures of the national arbitration organization to which the Claim is referred in effect at the time the Claim is filed. Claims shall be referred to either Judicial Arbitration and Mediation Services (“JAMS”) or the American Arbitration Association (“AAA”), as selected by the party electing to use arbitration. For a copy of the procedures, to file a Claim or for other information about these organizations, contact them as follows: (i) JAMS at 1920 Main Street, Suite 300, Los Angeles, CA 92614; website at www.jamsadr.com; and (ii) AAA at 335 Madison Avenue, New York, NY 10017; website at www.adr.org.

(3) **Significance of Arbitration:** IF ARBITRATION IS CHOSEN BY ANY PARTY WITH RESPECT TO A CLAIM, NEITHER YOU NOR WE WILL HAVE THE RIGHT TO LITIGATE THAT CLAIM IN COURT OR HAVE A JURY TRIAL ON THAT CLAIM, OR TO ENGAGE IN DISCOVERY EXCEPT AS PROVIDED FOR IN THE CODE OF PROCEDURES OF JAMS OR AAA, AS APPLICABLE (THE “CODE”). FURTHER, YOU WILL NOT HAVE THE RIGHT TO PARTICIPATE IN A REPRESENTATIVE CAPACITY OR AS A MEMBER OF ANY CLASS OF CLAIMANTS PERTAINING TO ANY CLAIM SUBJECT TO ARBITRATION. THE ARBITRATOR SHALL NOT CONDUCT A CLASS ARBITRATION OR A JOINT ARBITRATION, EXCEPT AS SET FORTH BELOW. THE ARBITRATOR’S DECISION WILL BE FINAL AND BINDING. NOTE THAT OTHER RIGHTS THAT YOU WOULD HAVE IF YOU WENT TO COURT ALSO MAY NOT BE AVAILABLE IN ARBITRATION.

(4) **Restrictions on Arbitration:** If either party elects to resolve a Claim by arbitration, that Claim shall be arbitrated on an individual basis. There shall be no right or authority for any Claims to be arbitrated on a class action basis or on bases involving Claims brought in a purported representative capacity on behalf of the general public, other cardholders or other persons similarly situated. The arbitrator’s authority to resolve Claims is limited to Claims between you and us alone, and the arbitrator’s authority to make awards is limited to you and us alone. Furthermore, Claims brought by you against us or by us against you may not be joined or consolidated in arbitration with Claims brought by or against someone other than you, unless otherwise agreed to in writing by all parties.

(5) **Location of Arbitration/Payment of Fees:** Any arbitration hearing that you attend shall take place in the federal judicial district of your residence. At your written request, we will consider in good faith making a temporary advance of all or part of the filing administrative and/or hearing fees for any Claim you initiate as to which you or we seek arbitration. At the conclusion of the arbitration (or any appeal thereof), the arbitrator (or panel) will decide who will ultimately be responsible for paying the filing, administrative and/or hearing fees in connection with the arbitration (or appeal). If and to the extent you incur filing, administrative and/or hearing fees in arbitration, including for any appeal, exceeding the amount they would have been if the Claim had been brought in the state or federal court which is closest to your billing address and would have had jurisdiction over the Claim, we will reimburse you to that extent unless the arbitrator (or panel) determines that the fees were incurred without any substantial justification.

(6) **Arbitration Procedures:** This Arbitration Section is made pursuant to a transaction involving interstate commerce, and shall be governed by the Federal Arbitration Act, as it may be amended (the “FAA”). The arbitration shall be governed by the applicable Code, except that (to the extent enforceable under the FAA) this Arbitration Section shall control if it is inconsistent with the applicable Code. The arbitrator shall apply applicable substantive law consistent with the FAA and applicable statutes of limitations and shall honor claims of privilege recognized at law and, at the timely request of either party, shall provide a brief written explanation of the basis for the decision. In conducting the arbitration proceeding, the arbitrator shall not apply the Federal or any state rules of civil procedure or rules of evidence. The arbitrator shall take reasonable steps to preserve the privacy of individuals, and of business matters. Judgment upon the award rendered by the arbitrator may be entered in any court having jurisdiction. The arbitrator’s decision will be final and binding, except for any right of appeal provided by the FAA. However, any party can appeal that award to a three-arbitrator panel administered by the same arbitration organization, which shall consider anew any aspect of the initial award objected to by the appealing party. The appealing party shall have thirty (30) days from the date of entry of the written arbitration award to notify the arbitration organization that it is exercising the right of appeal. The appeal shall be filed with the arbitration organization in the form of a dated writing. The arbitration organization will then notify the other party that the award has been appealed. The arbitration organization will appoint a three-arbitrator panel which will conduct arbitration pursuant to its Code and issue its decision within one hundred twenty (120) days of the date of the appellant’s written notice. The decision of the panel shall be by majority vote and shall be final and binding.

(7) **Survival:** This Arbitration Section shall survive termination of your Card or Account as well as voluntary payment of the debt in full by you, any legal proceeding by us to collect a debt owed by you, and any bankruptcy by you or us. If any portion of this Arbitration Section is deemed invalid or unenforceable under any principle or provision of law or equity, consistent with the FAA, it shall not invalidate the remaining portions of this Arbitration Section, the Agreement or any prior agreement you may have had with us, each of which shall be enforceable regardless of such invalidity.

Your Billing Rights – Keep For Future Use

This notice tells you about your rights and our responsibilities under the Fair Credit Billing Act.

What To Do If You Find a Mistake on Your Statement: If you think there is an error on your statement, write to us at:

Sparrow
113 Cherry St. #87446
Seattle, WA 98104

You may also contact us at 1-800-839-9797, 24 hours a day / 7 days a week. In your letter, give us the following information: (1) account Information: your name and Account number; (2) dollar amount: the dollar amount of the suspected error; and (3) description of the problem: if you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake. You must contact us within 60 days after the error appeared on your statement, and at least three (3) business days before an automated payment is scheduled, if you want to stop payment on the amount you think is wrong.

You may notify us of any potential errors in writing or by calling us. You may still be required to pay the amount(s) in question if the Bank determines the transaction is not an error. If you believe fraud has occurred on your account, please call us as soon as possible at 1-800-839-9797.

What Will Happen After We Receive Your Letter: When we receive your letter, within 30 days of receiving your letter, we will tell you that we received your letter. We will also tell you if we have already corrected the error. While we investigate whether or not there has been an error, the following are true: (1) we cannot try to collect the amount in question or report you as delinquent on that amount. The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount; (2) while you do not have to pay the amount in question until we send you a notice about the outcome of our investigation, you are responsible for the remainder of your balance; and (3) we can apply any unpaid amount against your Credit Limit. Within 90 days of receipt of your letter, we will send you a written notice explaining either that we corrected the error (to appear on your next Statement) or the reasons we believe the bill is correct. If we do not believe there was a mistake, you will have to pay the amount in question, along with applicable interest and fees. We will send you a Statement of the amount you owe and the date payment is due. We may then report you as delinquent if you do not pay the amount we think you owe.

If you receive our explanation but still believe your bill is wrong, you must write to us within 10 days telling us that you still refuse to pay. If you do so, we cannot report you as delinquent without also reporting that you are questioning your bill. We must tell you the name of anyone to whom we reported you as delinquent, and we must let those organizations know when the matter has been settled between us.

If we do not follow all of the rules above, you do not have to pay the first \$50 of the amount you question, even if your bill is correct.

Your Rights If You Are Dissatisfied With Your Card Purchase: If you are dissatisfied with the goods or services that you have purchased with your Card and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase. To use this right, all of the following must be true: (1) The Purchase must have been made in your home state or within 100 miles of your current mailing address, and the Purchase price must have been more than \$50. (Note: Neither of these are necessary if your Purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.); (2) you must have used your Card for the purchase. Purchases made with Cash Advances from an ATM do not qualify or with a check that accesses your credit card account do not qualify; and (2) you must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us in writing at:

Sparrow
113 Cherry St. #87446
Seattle, WA 98104

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe us an amount and you do not pay, we may report you as delinquent.
